Limd. 100 "P.Trash Club" Edit. comes in white wax fixed into recycled/natural sleeves! For P.Trash Club-members only!
12,90 Euro

Here comes part three/drei/trois of Rubber-Glue/Kleb-Stoff/Adhésif – Zero 12”- Maxi-Series and it’s again a stunning 6-song-ammo from Marseille’s 77-punk-gun La Flingue.

The first shot, the german sung “360°” is a killing pogo dervish for all ya sissies to get stalwart enough to crash a beer can against ya head. Strike by strike it goes on with that razor-sharp guitar salvos, hard hitting punky backbeats and cranky vocals in their catchy and unique french/english mixed style.

Snotty ten minutes and its over. This platter will take no prisoners, you’ll hear no cry for mercy, but you’ll be left in an adrenaline rush begging for more - so now it’s on you to kick someone’s ass.

There is limited black or white vinylversion and an inlay packed in a mono-CHROME-atic duct tape cover defacing again one of The Beatles’ top ten hits of the “Rolling Stone's 500 Greatest Albums of All Time”.

Recorded by Rudy and the band at the studio Cimetierre Saint-Pierre in Marseille during last turn of the year.

File under MODERN PETS, ABOUT:BLANKS, IRRITONES, AGGRAVATIONS, LATEX LOVERS.

Be prepared for European tour in October 2014!
