Formed in winter 2013 out of frustration at the banality of the local Vienna music scene, these three young upstarts make snotty 70's punk into the soundtrack of their own dysfunctional lives. Now based in Berlin they've just released a classic of heavy thud, rotz-riffing and above all catchy P fuckin R recorded by Toby from the MODERN PETS (the other PETS guitarist Alvar now helps the boys out live giving the sound even more whallop. NEEDLE EXCHANGE play the english way of 77' Punk mix with a good dose of REATARDS KBD! Fine you may ask yourself but IS THIS MY PROGRAM? Check it out for yourself you lazy fuck and find out!
