Brand new project of MISCALCULATION / SACCARINE SOUVENIRS' man of the hour - Mr. Palumbo himself! This time the Brit fades away deeper into the gloomy abyss of synth-based postpunk than ever before. And despite the great BLACKNESS which is all around on this platter, there are a lot of pop-structures going on, too!

With EXIT London's punkrock superstar walks down the lane good ol' GARY NUMAN and ADRIAN BORLAND built in the late 70s and DIGITAL LEATHER's SHAWN FORREE rediscovered with "Monologue" and "Blow Machine" a while ago. Wavy beats, dancy darkness and yes, also those '77-influenced vocals which Palumbo (lucky for us) just can't shake off.

HIERARCHY OF LINE is the missing link between TUBEWAY ARMY, DIGITAL LEATHER, THE SOUND and THE GAGGERS you always wanted, but were too afraid to ask for!!
