Good ole' Sam of the infamous Australian Garage Rock'nRoll duo DIGGER & THE PUSSYCATS should have better watched his back while shakin' this guitar onstage like a rabid crocodile. Then again, this new album called "Let's go to hospital" probably wouldn't have turned out the way it has. This is wild, soulfoul and dirty Rock'nRoll with a fuckin' backbone! Ten more scratching tunes stuffed with anger, smut and lust.

You get your fill of shaking DIRTBOMBS-like Detroit sound in "ASIO", "Liar Liar" and the extremely danceable "Cut you loose" and "Kept man", you stagger through a drunk and horny night in "Oh yeah" and crawl like a dog in "I want to be your slut", infected with slower WIPERS-parts and a good dose of OBLIVIANS overdrive.

In between, the two Aussies blast out the unapologetic punk tune "I'm so bored with you" that reminds of old LEWD topped with a brutal and ear-battering MUDHONEY feedback orgy. In more than one occasion, Sam let's his guitar howl in a way that would have made JIMI HENDRIX turn to a lighter shade. To surprise the astonished listener, at the end of the album, they placed the two sweet and sugary pop-punk tunes "What you say, what you do" and "Let's go to hospital", that THE STATUES or THE TRANZMITORS definitely couldn't have done better.

DIGGER & THE PUSSYCATS neither backed nor slowed down a bit on this catchy and tight new platter, which comes in a colourful comic-style sleeve done by LLUIS.
