Still unwrapped you can already feel this new long release by Swedish Überrockers REGULATIONS buzzing inside its sleeve and in the moment you put the needle in the groove you know you're finally home and that this is the Christmas present you desired and deserved!

Twelve new sharp fusillades that make this silly Hardcore-Punk heart inside of your beaten body jump with joy and pounding pleasure. When it comes to timeless and catchy early 80s US Hardcore sound in these fast and modern times of ours, the REGULATIONS take the biggest part of the cake. Once more they managed to step back to the classic Hardcore of the ADOLESCENTS, the CIRCLE JERKS or BLACK FLACK and stir it up with ingenuity, inspiration and passion in melododic mid-tempo songs like "Baghdad Beach Party", "Creature in a Cage" or "In the Shadow of a Mall".

You also find two excellent slower and distorted tunes with "To be me" and "Down the street" as well as the fast sweeper "Busy night" and the yet to be a classic "Don't bother me" which could have been recorded ages ago.

This record sure will keep you warm and shaking your bones to these freezing days coming ahead.
