Limd. 100 "P.Trash Club" Edit. comes in green wax fixed into pop up poster-covers! 13,50 Euro

Album seconde by French Punks IRRITONES is another érection du 12 inch with more of their dadaistic Haiku-Punk. Minimalistic, driving, wired and hyped up. A celebration of hedonistic primitivism packed into 10 new melododic and stripped-down songs with driving bass lines, minimal guitar work and Olivier's very own sick poetry franglais.

The cover versions ABWÄRTS' 80s hit "Computerstaat" and French 70s Punk band's STRYCHNINE's B-side "Lache moi" perfectly match the style and sound of the whole record.

If the IRRITONES had to write this review themselves it would be: DEAD SOUNDS ALL AROUND US / PLASTIC WORLD MADE ME DO THIS / MON PUNK EST PAS NOUVEAU / YOUR PUNK SMELLS PUTRID / FRESH CLEAN TOWELS WON'T CLEAN / VOMIT OFF THE FACE OF A MARKETING COMPANY.

La France du Rock'n'Roll est une charogne. And the sound of the IRRITONES creeps out out of le cadavre of a dead underground. Punk with a capital P!

### Tracklist:
