This debut full-length from Canada's NO PROBLEM is an absolute Hardcore-Punk scorcher. With two great 7"s in 2010-2011, this album showcases a band at ease with their 'sound' - blending Hardcore and Punk with plenty of big riffs and melodies, not unlike FUCKED UP's pre Matador days, or think REGULATIONS had a blind date with VICIOUS CYCLE. Consistent with their earlier recordings, "And now this" is essentially a Hardcore record with melodic sensibilities similar to the ADOLESCENTS and the OBSERVERS. Featuring Graeme from the WEDNESDAY NIGHT HEROES and recorded by Jonah Falco from FUCKED UP. Hardcore-punk at it's BEST!!!
