Good news for all Sexbots out there: ZEBRASSIERES are back & surprise, surprise: it's called "I Am A Human" - a full length packed with 10 crisply new songs of their synth-driven frantic power-pop. This new party platter brings some upgrades especially in song writing, which is rich in variety so the artwork is more colourful. Even more microphones are in the zoo, so this comes with additional & perfect fitting male/female vocal parts to let the party get closer to your eardrums before you go completely nuts.

From the handclaps guided intro-stomp of the titletrack, via the REATARD-ish "Enter The Third Dimension" and two more bouncing poppers through to the psychedelic head-banging finale "Opinion" on side A. One thing is for sure: It's not a test! It's ZEBRASSIERES at their best! Maybe, there's only one urgent desire awaken right now. Don't worry!

The first song on side B name it & the whole thing is to accomplish it - "We Want More" - so the party continues without a changed mood... "Do You Wrong?".

It is recorded by Paul "Yogi" Granger @ The Meatlocker, Ottawa (URANIUM COMEBACK, STEVE ADAMYK BAND, WHITE WIRES) and mastered by Hajji Husayn Mastering at the North London Bomb Factory (RED DONS, MOTHER'S CHILDREN).
