What the hell is a „Maladroit“ you may ask yourself. Is it a green dinosaur used to walk across modern cities, or the title of your fave splatter movie...? Well I did and looked up my dictionary, okay I wanted that to sound old-school and to be true looked up on the internet which came up with the following explanation: “Somebody who is inept, or lacking in skill, or talent.” Well, none of this is true for THE MALADRO!TS - instead this band from Punk-Rock-City Schopfheim delivers 10 übermelodic hits, include an amazing Pop-Punk-version of Nancy Sinatras` "Bang Bang (My Baby Shot Me Down)", of catchy and asskicking Punkrock with a dash of Powerpop and Garagerock on their killer debut album, makes it to a real TRASH-ZILLA release!!! Think 70% TOYOTAS, "She's a man", "I can't get alright" etc. meets 15% MODERN PETS, "Want something", "Injection" & 15% MANIKINS, "I want you to want me", "Neverland"!!! Pure satisfaction guaranteed and nothing can beat that smirky smile out of your face anymore.
