Philly's TRASH KNIFE heat up the blade again and cut off 6 new slices of finest basement Punk on this second 7inch for us.

The record deals with everyday shit problems in "Struggletown Freak Out", "I'm done" and "I need", copes with shit clients at shit jobs in "Tips", hates modern age phenomenoms in "Kill your selfie" and comments on the disease that is the tweeting blond orang-utan hokus POTUS.

This is cool, impetuous and fucked up adolescent anger packed in chaotic, yet catchy songs with a female voice and enough attitude and melodies to make you skate or freak out. If you are into REATARDS, THE GERMS and BIKINI KILL - pass the knife and cut the trash!
