Label: P.Trash Records
Katalog-Nr.: P. Trash 46
Artist: ATOMS
Titel: Debut
Format: 7"
Files Under: New Wave/ Pop Punk

Originally, this disc by San Diego's stripe-wearing and female fronted New Wave squad ATOMS was launched by Sweet Tooth Records 2007, went faster than lightning and disappeared in the endless depths of collector space.

Now, everybody familiar with P.Trash knows that we are a Trashcue Team and we will never let anybody in this garagey world down. That's why we rerelease these three superb sizzlers once again. Except some gravity-defying, synthie-supported New-Wave Punk with some cheeky brat vocals and lots of melodies and drive somewhere between SPIZZ ENERGY, THE EPOXIES, DEVO, THE SPITS and SERVOTRON. The perfect sound for a sunday ride in the orbit.
