LOVER!, the alter ego of Mr. Rich Crook of REATARDS, LOST SOUNDS, AMERICAN DEATH RAY and KNAUGHTY KNIGHTS fame, has been a member of the P.TRASH band roster since the release of his debut album a couple of moons ago. He has been more busy than a one-legged man at an ass-kickin' contest bringing out loads of fine records on other nameable labels, such as Tic Tac Totally, Solid Sex Lovie Doll, HoZac, Douchmaster, Iekk! Sounds, Rob`s House Records or Red Lounge ever since that day. Now he's gonna come over on a European again and we at P.TRASH will garnish this occasion by releasing this little jewel, packed with two new pieces of that signature LOVER!'s sound. The title track "Worthless" kills with its sweet background vocals, crunchy guitars and poppy hooklines that surely will keep sticking. And so does the slightly slower "Little tramp" on the other side, with a rockier touch. Play this stuff to the lady of your dreams, it will make you a LOVER!!!! Otherwise, forget her!

But don't forget to see LOVER! live in December on a stage near you!
