Mati Di Moskow

Label: P.Trash Records/
Schlect Haar Leben Records
Katalog-Nr.: P. Trash 56
Artist: SECRET PROSTITUTES
Titel: Mati Di Moskow
Format: 7"
Files Under: KBD/ 77' Punk

This is the second release for these groppers from Houston, Texas. More signs of Breshnev's decaying West! Five tracks that will steer your needles through a course of Soviet Cold War inspired music. True dirty music! These vibes would not fit on the Urban Cowboy soundtrack. The KBD spirit of the band and the music fit genuinely into the era of the style. They would fit perfectly into the early Houston punk scene of bands looking for a place to play. The beat and Indonesian lyrics will cause you to tap your boot, shake your ass, and scratch your head while you're banging it. But it will always make you smile, unlike your KGB counterparts who haven't been this confused since trying to understand the argot of contempt sung secretively by bands behind the Iron Curtain. There is even a cover of San Fran's NUBS on the record. Maybe the only English language tune these dukes have in them. Damn well worth grabbing onto!
