After playing alongside BOB DYLAN, KISS and The DAMNED as a member of the RUSSIAN ROULETTES and knocking down walls in about a thousand bars in as many countries with DIGGER AND THE PUSSYCATS, Sam Agostino is stepping out on his own under the solo moniker BRAT FARRAR. Besides the previously mentioned escapades he's also left screaming behind in the past acts like the KAMIKAZE TRIO, PISTONS MISFIRE and the GRANNYKILLERS.

Writing, playing, recording, mixing and mastering everything, Sam takes his DIY approach to the ultimate level in BRAT FARRAR. Sitting in a similar vein to The WIPERS, JAY REATARD, WIRE, BUTTHOLE SURFERS, The SPITS, NEU!, PRIMAL SCREAM and The HEX DISPENSERS, BRAT FARRAR releases these three killer songs peppered with soul and hooks, among them the title track "It's on me" which sounds like having been forgotten on the WIPERS' "Is this real" record. Keep an eye on the upcoming BRAT FARRER LP, also on your humble Punk shit pusher P.Trash.
