Two of the best US/Canadian Punkrock-exports cross the pond in September 2010! Their superb longplayers made highscores on almost every Punkrock-playlist worldwide and for their Euro-tour they did the only right thing to do: they team up on one EP to cover each other!

The retarded party-dudes of the MEAN JEANS took "I Remember How" from the WHITE WIRES and made a ultra-sharp smasher out of it! In return the WHITE WIRES (feat. Ian, Going Gaga Records, SEDATIVES) do a classy version of the MEAN JEANS tune "Born On A Saturday Night", 100% poppy SUPERCHARGER-style. Packed in a beautiful cartoon-artwork this is the PARTY-RECORD for fall 2010! Listen and believe it! And go see the MEAN JEANS and WHITE WIRES live on stage!
