Hey Eierköpfe, MODERN PETS are back with a brand new double A-side 7" single as it used to be!! These two already known and released songs from the demo tape EP rerecorded in new high quality sound and partly different lines point out the giant leap for MODERN PETS in light of the LP earlier this year and almost constant touring. Quasi a logical consequence thereof, reduced to the max. The record is available in various versions, so you can choose between clear blue or clear blood red wax and three different cover outfits, all nothing less than just sumptuous. May be the hardest part is the decision which one to pick up, but don't waste your time they're running faster than Speedy Gonzales.
