The Malmö connection is back on track, carrying two awesome new songs in their caring arms! Despite their indisputable roots in the "punkrock harbour", those new tracks are by far the most poppy output VÄNNA INGET has delivered so far. I can barely hold back some (very manly) tears of joy while I dance AND dream to these synth-ridden pop-anthems. On each and every chord there's this typical Scandinavian pop-appeal which is so succinct for VÄNNA INGET and they know just exactly how they use it to get straight into your heart! Get this platter right now and sort it right next to your TERRIBLE FEELINGS, HURULA and MASSHYSTERI records!
