VICIOUS CYCLE

BLACK DOT

Label: P.Trash Records  
Katalog-Nr.: Short-Circuit Trash 02  
Artist: VICIOUS CYCLE  
Titel: Black Dot 2010 Europe Tour  
Format: 10"  
Files Under: Hardcore, KBD

The Canadian youngsters already gave the world a pale blue eye when their full-length debut album hit with unrelenting power and made them one of the best new Hardcore punchers around. Now they filled in some lead in their gloves by remixing the first six songs of that record and definitely will turn the blue to black. Actually, it's 'No escape', 'Blur' (feat. Damian Abraham) and 'In tranquility' which make you tumble before the title song 'Black dot' and the invincible hammer 'The waiting' send you straight to the planks where you are counted out to the disturbing soundscape of 'Death'.

The echo laden new mix gives their innovative and clever Hardcore an even meaner and darker FUCKED UP touch that keeps on ringing in your ears for days. It's louder, it spins faster, it's a vicious cycle that can't be broken.

Now on tour in Europe with THE STATUES.
